

HARRISONS GARDENWORLD

2019 DECIDUOUS CATALOGUE ORNAMENTALS AND FRUIT

Welcome to our Deciduous Ornamental Tree, Shrub and Fruit Tree Catalogue.

We are pleased to offer a sensational selection of high quality deciduous trees/shrubs and fruit trees. This year **Large Grade** trees are also available – please enquire at the garden centre for further information.

Deciduous plants provide interest in the garden throughout the year and are suitable for every garden - large or small. In the case of fruit trees there is also the added enjoyment of eating your own home-grown produce.

All of the trees and shrubs we supply are backed by our exclusive *Plant Performance GUARANTEE*.

Enclosed is our order form. Please note, it is advisable to order early as many varieties are in limited supply. All deciduous ornamental and fruit tree/shrub orders will be confirmed on a first in, first served basis.

If you are unable to find a particular plant in the catalogue, please do not hesitate to request it. Our plant finding service is very efficient!

Please feel free to seek our recommendations on the best choice of deciduous tree/shrub or fruit tree for your garden. We have an experienced team who are only too happy to help.

All orders placed are eligible for inclusion on your Harrisons Advantage Card.

Happy Gardening from your Team at Harrisons!

Plant Performance[™] **GUARANTEE**

If within 12 months any plant purchased from Harrisons fails to perform to your expectation
Please return it with proof of purchase.
We will happily replace it with any equivalent plant to the same value.

PLANTING HINTS

1. **SELECT YOUR SITE** - Suitable for the tree you have chosen.
2. **SITE PREPARATION** - Dig a hole large enough for the roots to be spread out without distortion and deep enough for the tree to be planted at the same depth as it has been in the Nursery. Add Ican Slow Food with the soil at the bottom of the hole and halfway when back filling the hole. This will provide up to 2 years continuous feeding. Prune back any damaged roots to sound wood.
3. **STAKING** - Insert a stake slightly off centre in the bottom of the hole and drive it in until secure. This will normally be 30-45cm (12-18in). Place the tree or the shrub in the centre of the hole, locating the stem 2.5cm (1in) from the stake, ensuring that the stake reaches only to the lowest branch. Ensure that the top of the stake does not interfere with the crown of the tree or shrub and adjust the height of the stake where necessary either by driving it deeper or by cutting off the top.
4. **PLANTING** - Spread the roots of the tree or shrub laterally and backfill with soil. Firm soil carefully to exclude air pockets, taking care not to damage the roots.
5. **PROTECTING THE TREE** - Where stems may be damaged by animals or machines, place a plastic tree guard around the stem or around the stem and stake. Secure the tree or shrub to the stake, using a tree-tie attached to the top of the stake no more than 2.5cm (1in) from the top. Additional ties may be necessary to stop the stem rubbing on the stake.
6. **PRUNING** - After having carried out steps 1 to 5 the most important phase of the tree's survival begins. Prune at least one third from the tree and always prune branches to an outside bud. The logic of pruning is simply that the roots have been cut, so a balance between branches and roots must be achieved to minimise stress on the plants.
7. **Never** plant your tree when ground conditions are not suitable, i.e. too wet - as this, along with the firming of the soil around the roots, forces the air from the soil and may cause root disease.

Having carried out these seven steps - sit back and watch your investment grow!

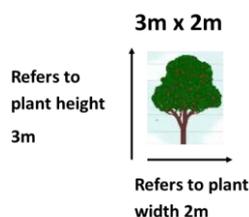

OTHER TREE PLANTING ESSENTIALS

Ican Slow Food - 24 Month 14.99 or 2 for \$25

Norlake Sheep Pellets 8kg 17.99 or 2 for \$25

Tui Organic Compost 10.99 or 2 bags for \$20.00

Stakes (Various Sizes and Types, indicate on your order if required)

ORNAMENTALS

ACER - JAPANESE MAPLES

Maples have an appeal for their various features; finely cut foliage, incredible autumn colour. In general terms, most Maples prefer reasonably sheltered positions with good free draining soils with a high organic content. Dappled shade is ideal for many, and while maples are very frost hardy they detest hot, dry, windy situations.

	Grade	Price
<p>Acer rubrum Autumn Glory The large five lobed leaves are dark green throughout the summer. In autumn the leaves turn to a dark purplish-red and develop the superb features for which this cultivar is renowned. 8x6m.</p>	1.5m	49.99
<p>Acer p. Bloodgood Small rounded tree with deep red foliage throughout the summer. Autumn foliage is brilliant crimson. Requires some shelter. 4x3m.</p>	1.5m	49.99
<p>Acer Burgundy Lace 2yr Red leaf Maple. Upright rounded habit. Deeply divided & fringed red spring foliage turning bronze then scarlet in autumn. Small tree with wide canopy. 3m.</p>	120/150	49.99
<p>Acer p. Chishio A slow growing small Maple suitable for town gardens or a special container. Flame pink leaves burst forth in spring gradually turning a more subdued green. The vivid pink red tones return in autumn. Very attractive and desirable. Protect from strong winds. Deciduous. Est.10yr.growth. 1.3x1m.</p>		49.99
<p>Acer p. Fireglow Upright well branched shrub with 5 to 7 lobed wine-red foliage that keeps its intensity of colour well during hot summer conditions. Retains a bushier more compact habit. Spectacular scarlet-crimson autumn foliage tones. 3.5m.</p>	1m	49.99
<p>Acer p. Katsura Treasured small maple with striking pale-yellow spring growth. Leaves are green through summer turning orange, yellow and red in autumn. 2.5x2m</p>	1m	59.99
<p>Acer p. Osakazuki Attractive seven lobed bright green young foliage, rich green through summer and colouring in autumn to fiery orange or crimson scarlet. Considered the most brilliant Japanese maple for autumn colour. 4 x 3 m.</p>		59.99
<p>Acer p. Red Emperor An upright growing small tree with very deep red to black-red leaves. Holds the deep colour right through the summer. Scarlet autumn colour. 4m.</p>		49.99
<p>Acer rubrum Red Sunset Forms a broad, columnar head of compact branches with larger than normal green leaves. Spectacular autumn colour of orange and crimson start from a young age on this tree. 10m</p>	2m	59.99
<p>Acer p. Shaina Distinctive bright red new foliage maturing to deep maroon in summer. Upright compact plant, becoming denser with maturity. 3 x 2 m.</p>	1m	49.99

	Grade	Price
<p>Acer p. Suminagashi Strong growing upright tree with reddish purple new growth, turning purple in summer and scarlet in autumn. Leaves boldly serrated with long pointed lobes. 4m.</p>		49.99
WEEPING JAPANESE MAPLES		
<p>Acer p. dissectum Crimson Queen A small spreading weeping form with scarlet-red stems. Retains leaf colour throughout the summer, turning fiery scarlet in autumn. 1x1m</p>	50/60	49.99
<p>Acer p. dissectum Crimson King Acer Palmatum Crimson King is a large leaved Maple of bright crimson red in the spring. Over summer hue changes to deep purple red then fiery autumn tones of scarlet, red and orange. Requires free draining soil. A fantastic small tree for adding colour and interest to any pots or container. 1x2m.</p>		59.99
<p>Acer p. dissectum Lace Lady This Japanese Maple has feathery foliage that emerges burgundy red in the spring and is known for holding its red colour right through the summer taking on a vibrant crimson red in autumn. Rightfully named, Acer Lace Lady, the foliage is deeply dissected and forms an attractive loose crown. 2x2m.</p>		59.99
<p>Acer d. Tamukeyama Deep reddish purple foliage with a growth habit that is vigorous. 1.5x2m.</p>	1m std	59.99
<p>Acer p. dissectum Viridis New fresh, soft green spring foliage. Dissected leaves delicately lace-like turn lime-green in summer. Spectacular autumn tones of fiery gold and orange. Soft mounding habit. 1x1m</p>	.5m std 1m std	59.99 59.99
AESCULUS		
<p>Carnea briotti Red Horse Chestnut. A compact form with bold handsome leaves and rosy crimson flowers in upright 22cm clusters. Perfect lawn specimen. 6x5m.</p>	1m	59.99
ALBIZIA - SILK TREE		
<p>Albizia julibrissin Rosea Good for a hot dry position, with rich green dainty ferny leaves, rounded fluffy brushes of pink stamens during the height of summer. 5x4m.</p>	1.5m	59.99
<p>Albizia julibrissin Red Silk Selected form of the Silk Tree bearing a profusion of carmine-red silky flowers. 5x4m</p>	1.5m	59.99
ALNUS-ALDERS		
Extremely fast growing trees. They will grow anywhere (except right on the coast) and are particularly good in wet boggy areas.		
<p>Alnus cordata - Italian Alder A splendid medium to large conical tree, very hardy. Will stand a wide range of conditions. Bright green glistening foliage. 10 x 5m.</p>	2m	49.99

	Grade	Price
<p>AMELANCHIER Canadensis Shad Bush – the abundant racemes of white flowers are produced in spring before the leaves are developed. Oblong leaves are woolly when young and richly coloured orange-red in autumn. Hardy. 4x3m.</p>	1m	59.99
<p>BETULA-BIRCHES A very well known and popular tree and most are noted for attractive bark and autumn colours. Male and female catkins are borne on the same tree. Most birches accept exposed situations and are very cold hardy. Moist but well drained soils are preferred while poorer soils are tolerated. Plant them as isolated specimens or in a small group.</p>		
<p>Betula Utilis Jacquemontii This form of the ‘Himalayan Birch’ has been selected for its very white bark. An attractive medium sized tree from West Nepal. 8x5m.</p>	1.5m	59.99
<p>Betula Pendula - Silver Birch A tree adaptable to a wide range of conditions. Popular for its semi-pendulous habit. Juvenile bark is golden brown, but as the tree matures, the main trunk and limbs become vivid white with black clefts. 12x6m.</p>	2m	59.99
<p>Betula White Spire Like the famous Betula utilis ‘Silver Shadow’ but with a more vigorous and upright fastigiated habit. Strikingly white trunk at an early age. 8x4m.</p>	2m	69.99
<p>CARPINUS Carpinus are very hardy, preferring a well-drained moist site with full sun, but are suitable for slightly shaded areas. Resistant to drought and frosts. May be pruned heavily for hedging or screening if desired. Tolerant to a wide range of soils. An attractive tree which is often overlooked and is worthy of wider planting.</p>		
<p>Carpinus Betulus - Common Hornbeam Recommended for single specimens and for hedging, resembling beech for hedging. Green leaves in summer turning bright yellow in autumn. Medium to large tree easily grown. 19m.</p>	2m	59.99
<p>CEDRELLA -TOON TREE Cedrella sinensis Flamingo - Chinese Toon Tree Straight upright branches carry the large ash-like leaves up to 60cm long, divided into 10 or more leaflets. Young growth beautiful shade of pink. Warm spot. Some shelter required. 5x2m.</p>	Pb18	44.99
<p>CERCIS - REDBUDS AND JUDAS TREE</p>		
<p>Cercis canadensis Forest Pansy One of the most striking and sought after smaller trees. Leaves develop from deep wine red through deep purple in spring aging to deep bronzy green in summer. Takes on a spectacular blaze of reds in autumn. Pale, rose pink, pea shaped spring flowers. Very hardy and wind tolerant. 3x3m.</p>	120/150 1.5m	49.99 59.99
<p>Cercis Heart’s Of Gold Golden Redbud. Reddish purple leaves early spring changing to stunning bright yellow further in the season. Semi-glossy heart shaped foliage. 5-6m (PVR)</p>	120/150	49.99

	Grade	Price
CHAENOMELES - JAPONICA		
Chaenomeles Alarm Large deep red flowers during winter and early spring. 3m.	.3m	29.99
Chaenomeles Early Orange Buds and orange blossom cover the plant both before and after the foliage emerges in late winter and early spring. Fragrant yellow small fruits ripen in the winter and may be cooked in preserves and jellies. A low spreading form makes it ideal for hedges or ground covers. 1m.	.3m	29.99
Chaenomeles Green Ice Chartreuse buds open to semi-double white flowers tinged green. Low spreading habit. Flowers late winter to early spring when the bare branches break forth in a riot of colour. 1x1m	.3m	29.99
Chaenomeles Yokuku Purest white blossom with tinges of green in the throat. The saucer shaped flowers are followed by large yellow quinces – suitable for jellies. 1x1m	.3m	29.99
CHIMONANTHUS - WINTERSWEET		
Chimonanthus praecox Waxy yellow flowers with centre purple markings. Delightfully scented. Hardy. 3x3m.	.75m	44.99
CORNUS - DOGWOOD		
Cornus alba elegantissima A very hardy red stemmed Dogwood. Broad green-grey leaves with white margins. Cream flowers in early summer. Creates a magnificent display when mass planted. Cold hardy, easy to grow. 2x1.5m	.3m	39.99
Cornus florida Cherokee Chief New spring growth deep bronzy red, turning deep green through summer followed by scarlet and wine red in autumn. 3x3m.	.5m	59.99
Cornus florida Cherokee Daybreak Green leaves creamy white margins. Large snow white bracts. Autumn tonings are salmon pink and rosy purple. 3x3m.	.5m	59.99
Cornus Eddies White Wonder For many gardeners, this is the pick of the Dogwoods. Large white showy flower bracts in spring and fantastic red and orange autumn colour. 4x3m.	1.5m	59.99
Cornus controversa Golden Wedding A sport from a nursery seedling. Margins of golden foliage & cream areas around green. It has been known for not sun burning in NZ conditions. Spring growth has bronze tint, autumn pink tones. White blooms. 6x4m.	40/60	59.99
Cornus kousa Moonbeam A very showy small rounded tree with large white flowers up to 15cm across set above green foliage. Red fruit look lovely against the autumn foliage of crimson to purplish-red. 5m.	50/70	49.99

	Grade	Price
<p>Cornus controversa Variegata - Wedding Cake Tree A very ornamental small tree with picturesque horizontal branches in tiers, with striking silver margined leaves. 6x4m.</p>	.5m	74.99
<p>COTINUS - SMOKE BUSH Cotinus Goggyria Smoke Bush - Large misty flower heads appear in late spring in a fawn colour then turn smoky purple by autumn. A hardy rounded bush, which ends with a magnificent display of autumn foliage. 3x3m.</p>	.3m	44.99
<p>Cotinus Grace The young foliage is a translucent wine-red shown to advantage when planted in a sunny position. The leaves mature to a rich red turning to orange, red and yellow in autumn. Large pinkish plume-like flowers emerge from the red stems, turning smoky-grey by late summer. 3x3m.</p>	.3m	44.99
<p>Cotinus Royal Purple A selected form of the Smoke Tree with deep wine purple leaves right through the summer and turning a rich scarlet red in the autumn before leaf fall. 2x2m.</p>	.3m	44.99
<p>CRATAEGUS - HAWTHORN Roseo Plena Double pink Hawthorn - Dark glossy green leaves. Produces masses of small pink double flowers in clusters along the branches in late spring. Hardy tree adapting to almost any well drained soil. Suitable for street planting, hedging or as a specimen. Frost hardy. 5x3m.</p>	2m	59.99
<p>DAVIDIA Involucrata Dove or Ghost Tree - This beautiful medium sized tree is most conspicuous in early spring when draped with its large white bracts. Best in fertile soil with some shelter and wind protection. 8x4m.</p>	1m	59.99
<p>EDGEWORTHIA Grandiflora Yellow Daphne - An interesting shrub from China with stout stems terminating in spring. Large silvery buds opening to heads of yellow tubular flowers. 1.5x1.5m</p>	.3m	49.99
<p>FAGUS - EUROPEAN BEECH Fagus sylvatica 'Dawyck Gold' A dense columnar tree with beautiful bright yellow young foliage in spring, pale yellow green in summer. 7 x 2 m.</p>	120/160	74.99
<p>Fagus sylvatica Purpurea Copper Beech - Young coppery foliage, turning rich purples almost black in summer. Similar form to green Beech. Foliage prized for floral work. 10x6m.</p>	1.25m	59.99

	Grade	Price
<p>Fagus sylvatica Purple Fountain Grows into a columnar form with cascading side branches. The leaves are purple black becoming greener by summer. The autumn leaves are yellow then orange brown. A gorgeous specimen tree whose branches can be trained along wires to form a pleached effect. 5x3m.</p>	1m	74.99
<p>FORSYTHIA Forsythia Lynwood Gold Light up the garden with the bright yellow flowers of this striking Forsythia. The flowers appear in early spring before the leaves. Excellent flowers for picking. Easy to grow in a sunny position. Prune after flowering. 2x2m.</p>	3m	39.99
<p>FRAXINUS Fraxinus oxycarpa Raywood The pinnate leaves with small narrow leaflets, are a deep green throughout the spring and summer. In autumn the foliage gradually turns a soft lemon-green with a touch of deep burgundy before achieving its renowned rich claret colour. A very popular shade tree with spectacular autumn colour. 12x9m.</p>	2m	59.99
<p>GINGKO - MAIDENHAIR TREE Ginkgo biloba Autumn Gold A large handsome male form with a symmetrical upright habit. Golden autumn foliage. Plant in loose, well-drained soil. 7x4m.</p>	100/120	49.99
<p>Ginkgo biloba fastigiata A very neat upright male form. Good for confined places and small home gardens. Deep green distinctive maidenhair leaves with gorgeous autumn tones. Hardy. 6x2m</p>	70/90	59.99
<p>Ginkgo 'Ming Princess' Another outstanding maidenhair tree but in a very miniature form. Very fine foliage.</p>	40/50	49.99
<p>HAMAMELIS - Witch Hazel Hamamelis Arnold Promise Small growing neat upright vase shaped habit with abundant soft yellow fragrant late winter flowers. 4x3m.</p>	50/70	49.99
<p>HYDRANGEA Easy care shrubs that give colour for months. Plant in a fairly moist position in full sun to shade. Prune back to double buds in winter. To maintain pink/red shades apply a side-dressing of dolomite lime. For blues apply aluminum sulphate.</p>		
Hydrangea Bloody Marvellous		24.99
Hydrangea Blue Diamond		24.99
Hydrangea Bridal Bouquet		24.99
Hydrangea Mathilda Gutges		24.99
Hydrangea Pink Bouquet		24.99

	Grade	Price
Hydrangea Raspberry Crush		24.99
Hydrangea Red Start		24.99
Hydrangea Sensation		24.99
Hydrangea Tardiva		24.99
LABURNUM - RAIN TREE		
Laburnum vossii - Golden Rain Tree	200/250	59.99
In November, slender deep golden racemes of bloom up to 45cm long, hang through the leafless branches. A graceful specimen tree. 3m		
LIQUIDAMBAR - SWEET GUMS		
Handsome trees with maple like leaves. One of the finest trees for autumn colour with moderate growth rate, good form, picturesque branch pattern and corky bark. Intense autumn colour.		
Liquidambar styraciflua - American Fruit Gum	1.5m	49.99
Forms a stately pyramidal tree with well spaced branches and rugged corky bark. Handsome shining dark green maple-like leaves changing in autumn to shades of red, orange, yellow and purple. 8x5m.		
Liquidambar styraciflua Gumball	1.2mstd	99.00
A special dwarf form that grows into a round ball. Vibrant autumn colours that last well into winter. 2x2m		
Liquidambar styraciflua Lane Roberts	1.5m	59.99
A selected clone from England and most reliable for its rich black crimson-red colour in autumn. Smooth fine bark. Upright conical form. 8x5m.		
Liquidambar Worplesdon	1.5m	59.99
Upright pyramidal form with outer branches gracefully drooping. Finely cut leaves give a brilliant display of yellow, orange and scarlet. 8x5m.		
MAGNOLIA		
They are the most magnificent of flowering trees. Flowers are showy, solitary, and some are fragrant cup, goblet or star shaped. They appear before the leaves in most deciduous magnolia's, requiring a sheltered spot. Magnolia's require fertile, humus rich, well drained soils that are moisture retentive.		
Magnolia Apollo	1m	59.99
Forms a neat small tree with an open spreading habit. Deep rose-pink buds which open to large bowl-shaped rosy-red flowers with a rich fruity fragrance. Mid to late season flowering. 6m.		
Magnolia Black Tulip	15L	69.99
A smaller growing compact tree with magnificent, goblet-shaped blooms in a stunning red-black. Note that the flowers may not be true to form and customers should be advised that it can take a year or two to settle in. A wonderful tree for an garden situation. 3.5x2.5m		

	Grade	Price
<p>Magnolia Burgundy Star The most recent release of the Jury range. Distinctively different with flowers that are many petalled and claret red. Absolutely stunning! The tree itself is tall and narrow making it perfect for small garden planting. 1.5m.</p>	15L	69.99
<p>Magnolia Cleopatra Classic hybrid from England with rich pink cup and saucer blooms. Seems to be a clone of Charles Rafill. Takes some years to reach blooming age. Rounded tree to 6m.</p>	90/120	69.99
<p>Magnolia David Clulow Goblet shaped white scented blooms. Upright tree. 4m. Reported to be one of the best white magnolias. Upright tree 4m.</p>	1m	59.99
<p>Magnolia Denudata - The Lily Tree This rounded tree is covered with fragrant pure white cup-shaped flowers in early spring. 5x4m.</p>	1m	59.99
<p>Magnolia Felix Jury Enormous, superb flowers open red and turn rosy pink. A spectacular sight in early spring when the compact tree will be covered in hundreds of blooms. The flowers have the added bonus of being highly fragrant. 5x3m.</p>	15L	69.99
<p>Magnolia Genie Recent Release. Genie is a medium sized, well branched tree. Deep burgundy-black buds open to medium sized cup shaped flowers of burgundy red. Flowers from an early age. 4m</p>	70/90	59.99
<p>Magnolia Heaven Scent Upright grower with upright pastel lavender-pink blooms, toned more softly towards the tips with white interiors. Unique colour, strongly fragrant. 4x2.5m.</p>	1m	59.99
<p>Magnolia Honey Tulip Another drop dead gorgeous hybrid from the Jury breeding programme. Large rounded goblet shaped blooms in a soft shade of honey yellow. The petals are of good substance and the flowers appear early spring on bare branches. Plant in a sheltered position in acid soil for best results. 6x4m.</p>	15L	69.99
<p>Magnolia Ian's Cracker A medium growing upright bushy small tree with beautiful large, rich claret coloured blooms of 20cm across that holds the colour well. 5m high.</p>		49.99
<p>Magnolia Ian's Red A medium growing upright bushy small tree with beautiful large, 12 petalled, rich claret coloured blooms of 20 centimetres across and hold their colour well. Mature height estimated at 5 metres.</p>		49.99
<p>Magnolia Iolanthe From early spring very large bowl shaped rose-pink blooms appear with a creamy white interior. A magnificent variety. 4x5m.</p>	1m	59.99
<p>Magnolia Koban Dori Beautiful yellow blooms, flowering with foliage dwarfed than other yellow varieties. 4x2.5m.</p>	.75m	59.99

	Grade	Price
<p>Magnolia liliiflora Nigra Slender pansy-black curved buds opening to dark maroon-purple, lighter purplish-pink interiors. Flowers in spring. 2x1.5m.</p>	.75m	59.99
<p>Magnolia Milky Way Upright neatly rounded tree with icy-white cup-shaped fragrant flowers pink at the base and pure white inside. Prolific bearer on bare branches early to mid spring. 5x3m.</p>	.75m	59.99
<p>Magnolia Old Port Blooms are a very dark wine-purple with the inner surfaces off white. Cup shaped 12cm blooms have a light fruity fragrance. Multi-branched. 3-4m.</p>	70/90	49.99
<p>Magnolia Ruby A hybrid of soulangeana parentage with a compact upright habit, flowering from an early age. Impressive goblet shaped delicately fragrant rich ruby-red flowers with a fine white edge to the petals and white interior. 5x4m.</p>	1m	59.99
<p>Magnolia Stellata Star Magnolia – Among the first to bloom. Forms a dense compact bush, smothered in spring with starry pure white fragrant flowers. Hardy. 2.5x2.5m.</p>	.5m	59.99
<p>Magnolia Stellar Gem Sculpted rich pink-purple blooms with white interior. Easy and reliable grower with healthy foliage. 3.5x1.5m.</p>	1yr	59.99
<p>Magnolia Stellata Rosea Pink buds and pink flushed fragrant flowers which gradually fade to pearly white. Early flowering. Vigorous. 3x2.5m.</p>	.5m	59.99
<p>Magnolia Sweet Merlot Globe shaped medium sized claret red flowers freely produced on a shrubby bush. Very neat and tidy habit. Flowers last well when cut. 6m</p>	1m	59.99
<p>Magnolia Sweetheart Deep coloured mid-pink blooms, rich sweet fragrance and early blooming. Upright growth. A seedling of 'Caerhays Belle'. A very desirable popular plant. 4x3m</p>	1m	49.99
<p>Magnolia Ula Large rose pink bowl shaped blooms. Late flowering. Hardy tree. 5-6m.</p>	70/90	49.99
<p>Magnolia Vulcan The best of the best! Arguable the most stunning Magnolia bred to date. Opulent, deep magenta blooms up to 25cm across. A good sized compact tree, suitable for smaller gardens. May take two or three years for the flowers to develop true size and colour. 4x3m.</p>	1m 15L	59.99 69.99
<p>MALUS - CRAB & ORNAMENTAL FLOWERING APPLES</p>		
<p>Malus Ballerina An outstanding flowering Apple. In September bunches of red buds open to large frilly double pink blossoms. Prune after flowering. Very free flowering. 4x2m.</p>	1m	44.99

	Grade	Price
<p>Malus coronaria Charlottae – 1.5m Standard Large leaves which colour richly in the autumn. Flowers large, semi-double shell pink. Green fruits. 6m</p>	1.5m std	49.99
<p>Malus Echtermeyer (Weeper) Graceful, low, wide spreading tree with weeping branches. Flowers rose-crimson followed by reddish-purple fruit. Red new growth turns green in Summer.</p>	1.7std	59.99
<p>Malus Ellerslie (Weeper) A true weeper having dark red buds opening to soft crimson flowers with bronze-red foliage. The full spreading weeping habit bears an abundance of small reddish fruits from late summer until well into winter. 2.5mx2m</p>	1.5m std	69.99
<p>Malus Floribunda – 1.5m Standard Myriads of crimson buds open into white or pale pink flowers on long arching branches. Red and yellow small fruits. A remarkably beautiful tree. Possibly the earliest Malus to bloom. 2.2x2m</p>	1.5m std	59.99
<p>Malus Gorgeous Very popular Crab Apple. Small deep crimson fruits weigh down the branches in autumn and winter. An excellent culinary variety. Pearly white blossom in spring. One of the best fruiting crabs. 2.5x2m.</p>	1.5m	49.99
<p>Malus Ioensis Plena - Betchels Crab Beautiful large double flowers in its third year. Pink buds open to palest pink blossoms. Very fine autumn tones of orange and red. 3x2m.</p>	1m	49.99
<p>Malus Jack Humm Large brilliant red crab apples flushed yellow and orange give a magnificent display right through winter. Great for making jelly. 4x3m.</p>	1.5m	44.99
<p>Malus Jelly King Pink buds opening to pure white flowers late season on a tall upright tree. The fruit are 3cm round, orange yellow overlaid with medium red. Fantastic for jelly and the birds leave the fruit alone till late autumn. 3x2.5m.</p>	1.5m	59.99
